SECTION 5- VOLUNTEER CONFIDENTIALITY AGREEMENT-

At all times, the privacy and dignity of clients, members, and volunteers will be respected, and the mission, vision and philosophy of the group will be followed in accordance with the group's policies, standards and guidelines. As a volunteer of the Iranian Cancer Support Group, you may have access to privileged information and documents relating to clients, members, and volunteers that are private and confidential in nature. All client, members, and volunteers records are the property of the group and will be treated as confidential material. No person shall read records or discuss such information unless there is a legitimate purpose. Client interactions shall not be discussed with people outside the group, including immediate family members, throughout and beyond tenure with the group. Neither volunteers will give medical advice, but may give information about cancer (consisting of facts available to anyone seeking general knowledge about the disease and its treatment).

By signing below, you acknowledge that the information provided is true and accurate, and that you have read, understand, and will abide by the agreement above. And, by signing below, you grant permission to the Iranian Cancer Support Group to contact the references listed.
